

1772

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Serial Number: 09/849,315

Atty Docket 4025

Filing Date: May 7, 2001

Art Unit 1772

Inventor: Joseph J. Solon

Examiner Alexander S. Thomas

#12 Dec 2002  
1-2-03

For: Environmentally Safe Method and Apparatus for Storage of Discarded Tire Rubber

To: THE COMMISSIONER OF PATENTS AND TRADEMARKS

Dear Sir,

Re: **Second Response timely made within two months after the Final Rejection of**

**Oct.30, 2002**

OK to enter  
in

This timely responds within two months to the Final Rejection of Oct. 20, 2002, and therefore a prompt reply is expected to permit appeal before the expiration of the three month response period.

This amendment reduces issues to put this case in better condition for appeal.

RE: THE DRAWING and AMENDED CLAIMS:

The formal drawing is appended along with the required clean copy of the amended claim 11.

IN THE CLAIMS:

Cancel claim 17.
